HAPPY NEW YEAR!

Pop!
Hey!
Happy new year
everybody!

Turns out I've gotta skip this week's update. Thought I might have been able to avoid it but the holidays were busier [but also much nicer] than I imagined they'd be.

Not a bad place to take a little break, though.
That last episode was prettymuch the end of the Sugar Fen storyline.

I want to take a moment to sincerely thank you all for your readership this year.
I adore making The Sword Interval so, so much. It makes me so glad to see it bringing some joy to others.

I hope 2018 is kind to you all.

CAUSE IT WON'T BE KIND TO THE SWORD INTERVAL'S PROTAGONISTS!
